Food & Beverage service at Everett Events Center **opens successfully using a Quest POS system**

Melbourne 20th October 2003 – Quest Retail Technology is pleased to report the successful operation of the Quest Point of Sale system at the opening event at the Everett Events Center north of Seattle in Washington State.

The home of the Everett Silvertips Hockey team, the Events Center is a 10,000-seat multi purpose venue, for Concerts, Rodeo, Basketball, Family Shows as well as Ice Hockey and a separate Community Ice Rink. There is also a three level Conference Center, a Ballroom and Executive Meeting Rooms.

The project uses a range of Quest Point of Sale terminals for the Food & Beverage Concessions, Bars and Restaurant, including Dual and Multi-Line VersaTerm, the V-touch Touch Screen and the RF Hand Held Walkabout. The Back Office uses the Task Venue solution.

This project, which opened it's doors for the first time with an Open House on the 27th September and featured Hockey, Basketball, a Stage and the Community Ice Rink all set up at the same time to show the flexibility of the Venue. This Open House was then followed with the first Silvertips game on the 4th October 2003. This project was carried out in association with Centerplate who run the entire food and beverage operation at the Everett Events Center.
